Reports from Commissioners

Haddix – I have heard nothing back from Matt Johnson on a date to meet with the Attorney General.

I took a look at the sidewalk in front of Carla's and we definitely need to do something there. I also suggest we look at a couple more handicap spots with possibly of a hand rail there in front. When is the loan for the Squad Car due to be paid back to the sewer depart and how is that going to be paid? Hoult- we are working on a solution in a reasonable amount of time.

If you have time, take a look at the truck that Landon painted, he did a good job. Also, Cody did some painting in the EPS building, looks a lot nicer.
