REPORT FROM POLICE

REPORT FROM COMMISSIONERS

Commissioner Owen- The boys worked hard, and things looked pretty good for Chrisman Days. Our summer crew did a really good job. Our new guy seems to be doing good, I think he'll be alright haven't heard anything negative. I need to check and see if MTF will pay for the grinder for the roads, I think it will. Been trimming trees in the alley.

Commissioner Haddix – Tractor pull had a good turn out, I think the band boosters did good with their concessions. I talked to Matt Johnson he is taking care of scheduling the core samples on the Wyatt property. At the sewer plant we are now able to have Gore's haul to Paris, instead of having Gullifer's come from Decatur to haul to Champaign. This will be a tremendous savings to us.

Commissioner Wolfe – When does the flock camera come due? Janet – it's on my calendar. Wolfe expressed concerns to Chief Dolan on various circumstances.

Commission Hoult – Office is running well; We received the 2022-23 Audit back. Currently they have the 2023-24 at the Auditors.

REPORT FROM MAYOR

Mayor Moore – Mike Marvin wants to know if the city is going to pay for the Port-a-potties?

Owen-That was always our contribution.

I would like to remind residents that the Chrisman Fire Department is requesting that no burning be done of any kind due to the dry conditions.

ADJOURNMENT

Commissioner Haddix moved; Commissioner Owen seconded for adjournment @6:44 PM. All members present voted aye, voting nay none. Motion carried
